Dear Elad,

The litigation hold was sent to you from UB Counsel because you are a UB department Chair. The UB hold requires you to preserve all documents maintained in the context of your University role, not as President of UBNS. Therefore, it would be inappropriate to communicate with you on this matter through an outside (UBNS) attorney or have UBNS' attorney provide University records should they be needed. Thanks for your anticipated cooperation. Let me know if you have any questions regarding the hold. Thank you.
